We gratefully dedicate this annual to the pioneers of Paseo who have created the splendid spirit which was the inspiration in our quest for greater knowledge and a fuller life. The paramount goal of the class of '52 is to uphold the fine standard which our predecessors have established. May our humble accomplishments be an equal challenge to those who will follow on the path that we have marked with our every hope and aspiration.

Senior Will

With tears of regret the class of '52 leaves the familiar halls of "Hilltop House" and with diploma in hand goes out into the world leaving to next years seniors something to remember it by.

Ruth Hall and Clark Cunningham have done their best for our alma mater and we think that the two following in their footsteps seem to be Sande Carpenter and Mitchell Kur.

Sally Marshall and Jordon Cohen leave their book entitled "How to Succeed" to Marilyn Foster and Richard Coleman, use it well.

Marilyn Leslie hands over her counting of the popularity poll to Arline Mason and Paul Thorp leaves his knowledge(?) of how to stuff the ballot box to Tom Cowling.

Shirley Long and John Capps are learning to be just like everyone else from Ann Crawford and Dick Kyger. As typical as they can be.

Ed Chimenti brushes off his letter sweater and hands it proudly to Bill Ross while Carol Knight takes athletic lessons from Kathleen Frisbie.

Jerry Green and Patty Preston have been taking lessons from Arthur Murray Herron and his assistant JoAnn Oppenheimer.

Jake Golding gives to Mickie Klein a pass key to Woolf Brothers, and Nancy Hamlin takes over Gerry Viditto's modeling job at Harzfelds.

Dot Brunn passes on her charms to Pat Nichols and Harry Gaffin gives the same to Don Phillips with love.

Margie Messick passes on her come hither look to Shannon Weldon and Bob Woodson leaves to Larry Voge the fine arts of wolf whistling.

Ronnie and Pat are teaching Carolyn Holley and Gordon Arbuckle how to keep the love light burning.

Art Katz and Sue Wright whisper the secret of how to keep them laughing to Ken Marley and Shirley Scott.

Marilyn Walter hands over her beauty to Terry Kopelman and W. R. Radar gives his winning smile to Bob Martin.

Jody Hartmann tells Sharon Long that the show must go on and Bernie Papin decided to pass on his play book to George Huff.

Here's a tip to next years Paseon staff. One way to keep "Unca Lute" happy is to dance the hour away. We leave you with these last few words, "so long it's been good to know ya."

The Senior Class of 1952

Senior Prophecy

As I was thumbing through the K. C. Star of June, 1962, I noticed the name of one of my former classmates. Wondering what had happened to the rest of them I looked on through the paper and GUESS WHAT? ? ? ?

A headliner on the front page informs me that Clark Cunningham is running for mayor again and George Cohen is still making his speeches for him, and much to my amazement Paul Barker after years of medical study is now head of the Sanitation Department (better known as the garbage collector) with his assistant Sally Marshall (driving the truck).

The 100th accident victim of the year was Richard Kyger who fell from his car while driving. Wonder where he had been! ! ! !

The first woman thief has at last been identified as Anxious Ann. Caught while trying to rob the mansion of one of K. C.'s Bigger Businessmen, Mr. "Smith" Goldberg.

Of international importance is Bernie Papin who is Oscar setting in Europe and of local importance is Ruth Hall, she is still trying to build a stadium for the high school students.

TODAY'S CHUCKLE: submitted by D. G. Wendegatz goes something like this;

Ruth rode in my new car
In the seat beside me.
I took a bump at fifty-five
and rode on Ruthlessly.

I see our friend Marth McNish finally made the newspaper business. She's writing obituaries. Not for anyone we know but for Fred's famous dog story. (That thing should have been buried long ago.)

Oh dear, I see on the society page that Pat and Ronnie are finally announcing the date of their wedding. At Last!

And look at this, Gerry Viditto best dressed gal of her senior class has been picked as one of the ten worst (oh, excuse me, slip of the typewriter of course), best dressed women of the world.

A few of the noticable want ads are these:

Wanted by Dave Herron — one good dancing partner.

Wanted by Virginia Wood — one good set of vocal cords.

Wanted by Bob Nusser — one good comb.

A couple of the personals brought back old memories. Here's one:

Marcia, will walk you home after basketball practice.
Joe Prue

Wondering what I would do this evening I turned to the pages to see what was going on around the city. First thing that hit my eyes was: featured for tonight was the match at Paseo Gym with "Babbling Babs Brunn" vs. "The Fabulous Frisbie" with campain managers "Laughing Leslie" and "Official Ober." Showing at the Rockhill are two good

movies "Sailor Beware" starring Marg. Messick, Edith Maxwell, and Lynn Walters. The second show is "Monday's Jerk" a sequel to "Saturday's Hero" starring the one and only Paul Thorp. Hey, look what's on the stage at Old Esquire! It's Karen Holmgren's new play that she wrote and is starring in herself. It's called "Kaptivating Karen and her Kan-Kan Kuties" featuring Barbara (Bubbles) Rosedahl, Carolyn (Cuddles) Brown and Janet (Jazzy) Shields. Zealous Zaun supplies the background music with her 48 piece ukelele orchestra.

Looking at the funnies I always get a laugh. Joe Palooka has a new manager. "Big Bill" Davis. Well it's Sadie Hawkin's Day again in Dogpatch and "Daisy Mae" Kaser is just waitin' for that gun to go off.

I see Artist Sankey is up to his old art tricks again as I look on the editorial page. He is cartooning Senator "Kiss the baby-win the vote" Kabrick. On this page we also read Dr. Cullison's article "The First Tooth I Ever Pulled" . . . (Call Gr. 0000 to order your flowers for Mr. Robert Melson. May he rest in peace.)

Here's some advertisements for you, it's not the Cat's Paw shoe sole anymore, it's the "Katz" Paw shoe sole . . . always knew Arthur had a sole. Here's one: Rader's 66 gasoline is packed with Hi-Test Energy! (Gasoline?) LONESOME . . . because you can't dance? Try a private lesson \$1. No appointment necessary. ALL LESSONS IN ABSOLUTE PRIVACY! Eddie Fields Studio.

On to the next page I go and here I have to stop! It's the radio and T.V. section and look who's here. Radio soap operas are still in big demand, I see that "Just Plain Bob (Woodson)" is still on and "John's Other Wife" (Betty Jo Keyes) is the favorite of the fellas. As far as murder mysteries "The Green Hornet" has been changed to the "The Spider" and Harry (Long Legs) Gaffin is the master detective with "Ever-ready Ed Chimenti" as his assistant.

Oh well now let's see whats on T.V. these days. Space Cadets is still my favorite program and you'd never guess who's flying the ship — Sue Wright! Doyce Gentry takes care of the guns, singing "Who do you know?" Oh and Howdy Doody — they had to get a whole new cast — the others were too old and here's the new cast. Dixie Bell Barrett the clown is superb and as far as Oil Well Wayne (Protheroe) there's nothing like him. A few of the others are Dilly Dally Dick Garner and Buffalo Bob Bennett.

Well that's all of today's news. I might as well, Oh . . . here's an article I missed on the front page. I see here that Mr. Luther Crocker has been awarded the Congressional Medal of Honor by Pres. William Stevens for courage in the face of danger. He has taught the Paseon Class for 15 years.

It's time for me to fold up the paper now and put it away, but I shall never fold up or put away the wonderful memories of my happy days at dear Paseo High.

A Charge to Underclassmen

The final contribution and responsibility of any senior class is an appropriate word of wisdom that will be to all succeeding classes an inspiration. The school annual, as the voice and memory of all seniors, is the natural place for this thought to be published.

What should we say to you who follow? That you should be honest, brave, strong, studious, and dependable in order to succeed? Rather, we should leave with you an epithet to which you may turn whenever indecision confronts you.

The senior class has no heritage which they may pass to you that is better suited to Paseo students than "Remember Who You Are."

If the class of 1952 has achieved any measure of success, it was because of the fine ideals behind this phrase. Therefore, we leave to you that which has helped and guided us in the hope that you will find it useful.

We charge you, everyone of you, with the responsibility of carrying out Paseo's traditions and ideals with this one thought behind your every action;

"Remember Who You Are."

Junior Officers

SANDRA CARPENTER — Sande's capability and sweet personality not only won her a multitude of friends but also earned her the position of president of the Junior class. She was also the Junior Continuity officer, treasurer of Y-Teens, and a member of the Student Council, Cynthians, Press Staff, Inter-club Council, Mask and Wig, and the Pep Club. Smart and pretty she was also on the honor roll and an attendant to the football queen.

TOM COWLING — To Tom went the enviable position of gift receiver of the Junior class. Aside from this position Tom was also a member of the Pirate football squad and was elected to the All Star team. He answered roll in Lettermen's Club, Engineers, Student Council, and Traffic Squad.

BOB DAVIS — Always smilin,' Bob was a natural for a class officer. Aside from his position as vice-president he was a member of the football team, track team, Lettermen's Club, Keats, and helped keep order in Paseo's halls by serving on the Traffic Squad.

JOYCE WHITSITT — A popular Junior Joyce was elected secretary of her class. She was also a member of Zetas, Mask and Wig, Girl's

Chorus, Safety Science Club, Y-Teens, Student Council, Inter-club Council, El Ateneo, and treasurer of the Pep Club. Even with her many activities Joyce found time for her studies as she was a member of the Highest Honor Roll.

GORDON ARBUCKLE — Counting the money in class meetings was this popular Junior. Besides being treasurer, Gordon was a member of the second team basketball squad, Keats, Chemistry Club, and the Traffic Squad.

MITCHELL KUR — As editor-in-chief of the Paseo Press Mitch is well qualified for his position as reporter of the Junior class. He was also a member of Juntos, Traffic Squad, Orchestra, Mixer Committee and R.O.T.C. Scholastically capable, Mitch was on the Highest Honor Roll and elected to the National Honor Society.

BILL ROSS — "Willy" became well known at Paseo for his ability in athletics, especially on the basketball court for he was elected to the All Star team. A member of the football, basketball and track teams, Keats, Lettermen's Club, Traffic Squad, and A Cappella Bill was chosen to serve as sgt-at-arms of the Junior class.

Putting Theory Into Practice

Employment surveys show that there are more opportunities for initial employment for high school graduates in the field of clerical jobs than in any other area of business. The clerical practice course endeavors to give business what it wants — workers who are keen, alert, and intelligent; workers who have employable personalities; workers who can spell, proofread and offer skills that meet the standards set up by our American way of business.

Clerical jobs require knowledges and skills as typewriting, filing, use of business machines, record keeping, sorting and

classifying, handling mail, filling in forms, using the telephone, and the like. Personality and personal efficiency cannot be overemphasized. A clerical worker must know the importance of health, proper behavior on the job, personal appearance, pleasant disposition, and she must have a sense of responsibility. The ability to understand and follow directions, to have pride in a job well done, and the importance of accuracy and speed is an outstanding characteristic of a clerical worker. The class work is practical and individualized and the students have a feeling of accomplishment and success.

Student Council

Paseo is fortunate in having a student government, and equally fortunate in having as sponsor Miss Alice Wulfekammer and as assistant sponsor, Mr. Don Stephens.

As sponsor Miss Wulfekammer has many duties. She is alert for projects that the Student Council should sponsor, watches for changes that should be made in the constitution, and meets as advisor with the council and the executive board.

Much of her time, both in and out of the halls of Paseo, is devoted to organizing or more active and efficient student government.

P. T. A.

Many improvements and innovations around the school may be attributed to the Parent Teachers Association. All through the school year, this pillar of community service contributes to everyday life at Paseo.

Scholastically, the part of the P.T.A. is little known, but they support or help to support several funds to aid those who need help in order to finish high school.

Around the school, the P.T.A. is an invisible force behind such activities as the mixers, the Junior Senior Prom, and the senior Commencement Dance. Moreover, they co-operate with other school organizations such as the Y-Teens and others. The P.T.A. was partially responsible for the Gold Star Memorial Organ, the band uniforms, and the traffic light at 49th and Paseo, and their present project is a new curtain for the auditorium.

From a civic angle they are equally active. Mutual help, the Tuberculosis Society and school elections are supported and aided by them.

All of these things are important to the students, to the school, and to the community, but the senior

class of 1952 thanks them for the Prom and for the Commencement Dance especially, and gratefully dedicates this space to them that their efforts may not pass forgotten.

National Honor Society

Sometimes Paseoites, engrossed in the business of learning, forget the faculty members and other adults in the school who give their time, energy, and ability to make Paseo a better school and Paseoites better citizens.

One of the least known and least understood of these is the National Honor Society faculty committee. Paseo has had a National Honor Society for twenty-five years. Miss Nell Adams was the first, Mr. Selvidge the second, and Miss Alma Betz has been the head of the committee since 1946. There are 6 other committee members. They are Mr. Monte E. Lindwall, Miss Willa Schmidt, Mr. Wayne Wehrle, Miss Irene Blase, Miss Dorothy McGinnis, and Miss Mary Agnes Swinney.

This committee begins its' work in the fall before school opens, when they start the long tedious job of compiling the senior list in order of grade index. This work continues through the second semester until the new members of the society are determined. Included in this is the choice of juniors as well as senior members.

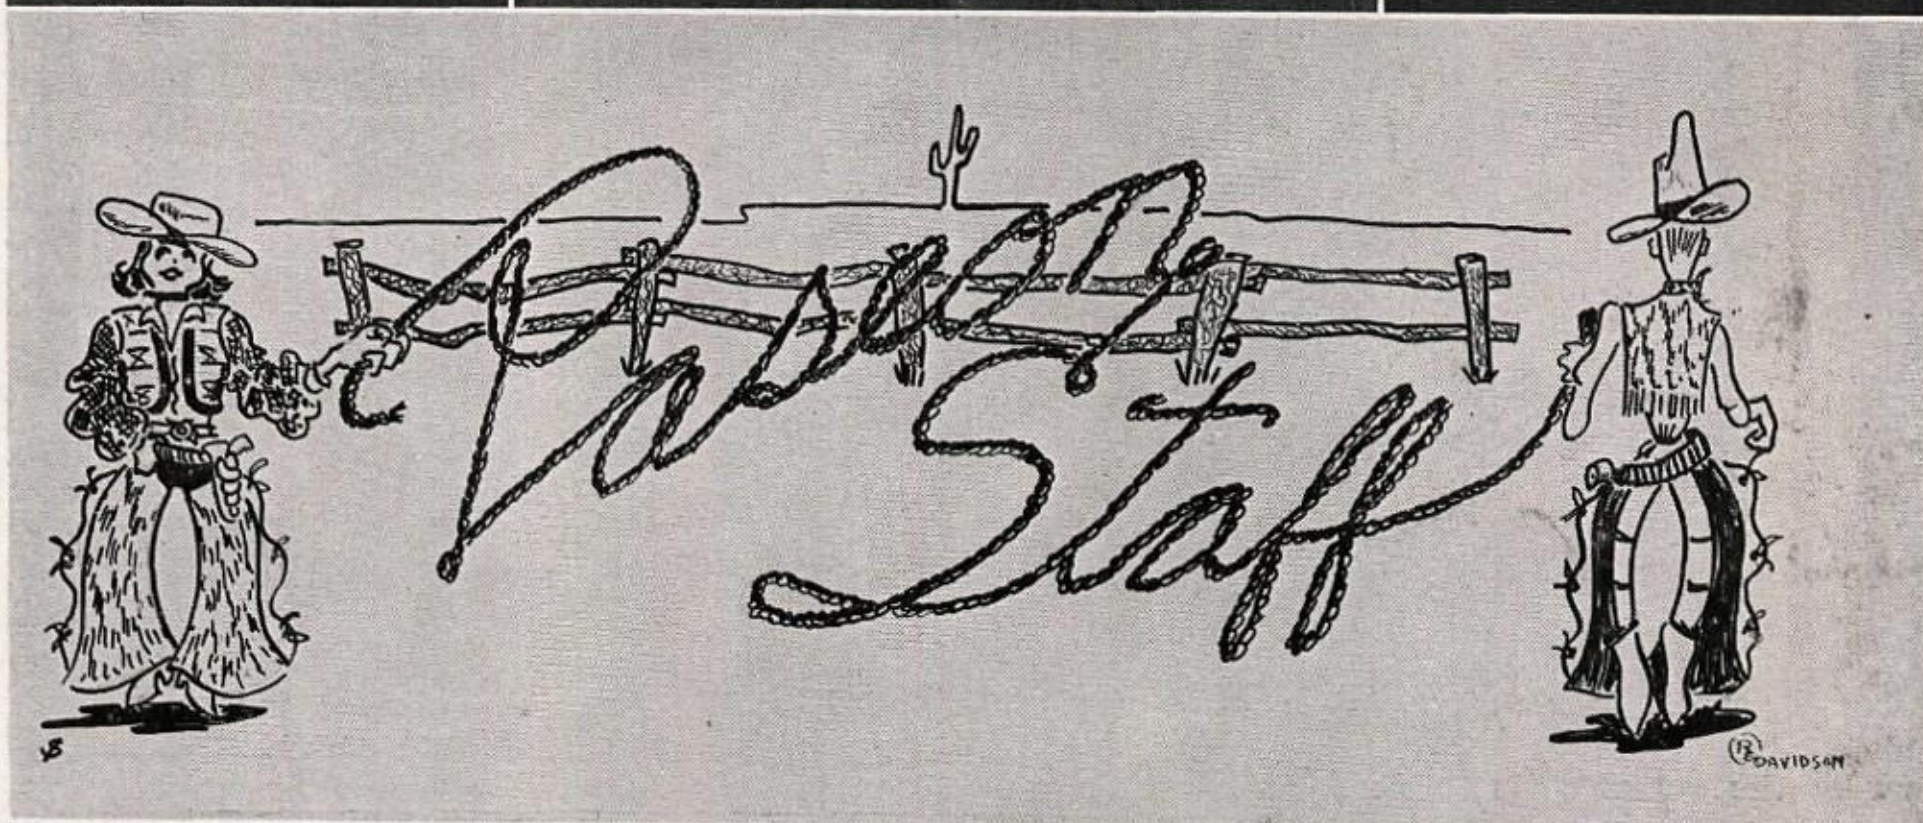

A dinner and school assembly are planned late in the year in honor of the N.H.S.

This is not an entirely scholastic group. All candidates are voted on by the entire faculty, but of course only those who rank highest are candidates. Even so, the members feel that while it is a great honor to be chosen, it is not a dishonor not to be chosen. Miss Betz gives this word to all of them. They believe that others may profit from it also. "Let what you are keep pace with what you know."

This year's English Assembly featured three one act plays. They were: "The Finger of God," "Over-tones," and "The Lost Silk Hat."

"The Finger of God" was the object of a contest concerning the theme of the plot which was won by Miss Betz's third hour English class. The cast consisted of: Larry Goldberg, Martha Sue McNish, and Dick Haskin.

Harriette Nelkin, Kathy Chapman, Mary Lou Allman and Joanne Hartmann were the "Over-tones."

The characters in "The Lost Silk Hat," were played by Fred Riley, Wayne Protheroe Jr., Richard Carr, Joe Schlozman, and Wilton Dod.

The poetry-reading contest was won by Norman Friedman who read "Gunga Din." Norman was

Initial non-league foe falls prey to a scrappy band of Pirates. Tom Cowling, center, intercepted a Rock-hurst pass and raced 45 yards for a first quarter score. Quarterback, Jordan Cohen, plunged across to make the score 7 to 6 at half time. Golding's hand off to Kessler staged the final tally.

Paseo dropped the loop opener to Central as the Eagles took to the air and clawed their way to a 25 to 0 score. The only consolation of the game came when Larry Hayes intercepted a pass on the Buc's 25 and rambled 70 yards to the Eagles 5. But Paseo was penalized for having twelve men on the field and the play was called back. You might say it was a thrilling disappointment.

Paseo continued its slump by losing to the Southeast Knights. On the opening kick-off Paul Thorp, Paseo back, raced 93 yards for, "The one and only." Laughlin and Taylor kept Paseo's defense on the rocks by some fancy side stepping, netting the Knights a convincing victory. The final score, 27 to 6.

The Indian's literally scalped the Pirates with a bone-crushing offense. Paseo's lone encounter came when Jordan Cohen flipped three successive passes, the last going to Paul Thorp on the Indians 30 yard line, Thorp then lateraled to Donald Boresow, half-back, who went the remaining distance. The final score, 48 to 7 in favor of the Indians.

"Hidden Talent," was the saying when Paseo scored a loop victory over Manual. Paseo left the

field at the half with a 6 to 0 score. An inspired crew of Pirates sensed victory as they reappeared for the second half. Hustle and determination became the final factors as Paseo bagged a 25 to 0 victory.

The Pirates outplayed the league leading Vikings in every respect but the score. Dick Trykell, Viking back, scored a first quarter touchdown after a Paseo fumble. Although the score was in favor of Northeast, 13 to 0. Paseo showed considerable improvement.

Paul Thorp scored twice in humbling East 21-7. A well played game was enjoyed by a band of enthusiastic Pirates as East was handed its second defeat. Bob Woodson made good on all three conversions.

Paseo closed the season by hitting the jack-pot, racking up a total of 41 points against Westport. Paul Thorp added 27 points to his record as he climbed from tenth to third in the scoring department. Jordan Cohen averaged 13 yards per pass as he hit for a total of 141 yards. The final score 41 to 7.

Top honors of the season went to Paul Thorp, triple-threat backfield ace of Paseo who by a unanimous vote was placed on the Inter-scholastic all-star team. He wound up with a season total of 57 points good for second place in the scoring. Tom Cowlings, center, received a second team berth. Bill Blowers, Larry Hayes, and Jordan Cohen received honorable mention.

Second Team Football

Paseo's reserves were defeated by the Central Eagles by the score of 19 to 6. Kent Crippin, quarterback, followed the teams interference to tally the six pointer.

Paseo and Southwest battled to a 0-0 tie. Although victory was near numerous times the Bucs just couldn't push over a much needed score.

Paseo's Bucs were defeated by Southeast 18 to 7 as the Pirates were hampered by fumbles and interceptions. Jimmy Jepson scored the lone touchdown as a result of a 60 yard drive.

Determination and improvement provided Paseo with a loop victory over Manual by the score of 14 to 6. Don Breckenridge, end, raced 60 yards for a 7 to 6 half time lead. Jimmy Jepson scored in the fourth quarter after another 60 yard drive.

A strong aerial display overpowered the Vikes by a 21 to 13 score. Dick Kelley and Don Breckenridge each tallied for six points and a half time lead of 14 to 7. Jimmy Jepson clinched the game with a late fourth quarter score.

The Pirate squad throttled the East Bears in an exciting game. In the fourth quarter Gary Wright made three kicks in one minute and none of them went 10 yards. The fourth

try rolled backwards for an all-time record — 1 yard kick. The final score, 28 to 14 in favor of the Bucs.

The Bucs took an early first quarter lead as Jimmy Jepson followed up his 40 yard run by slashing off guard from the 6 yard line. With Ross, Rinker, and Jepson putting on the finishing touches, the Pirates came up with a convincing 27 to 0 victory over Westport.

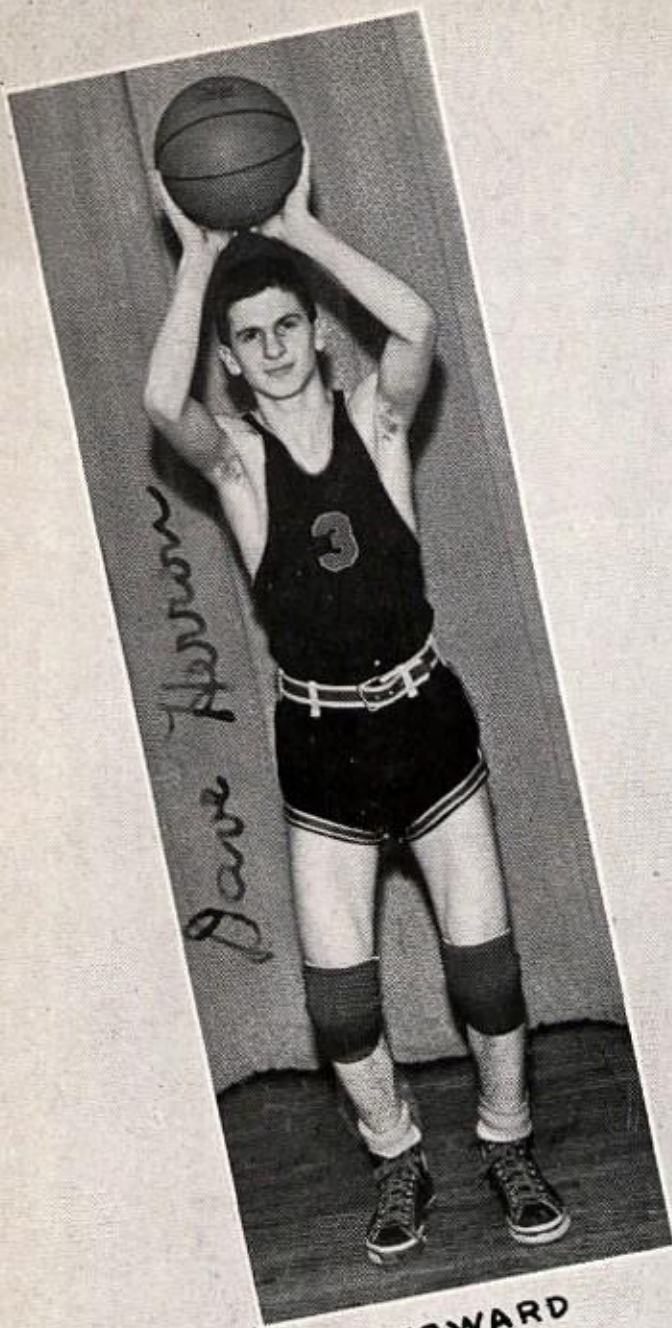

The Pirate reserves improved rapidly throughout the season. Congratulations are in order to Coach Nurski and the team for a splendid season.

Freshmen

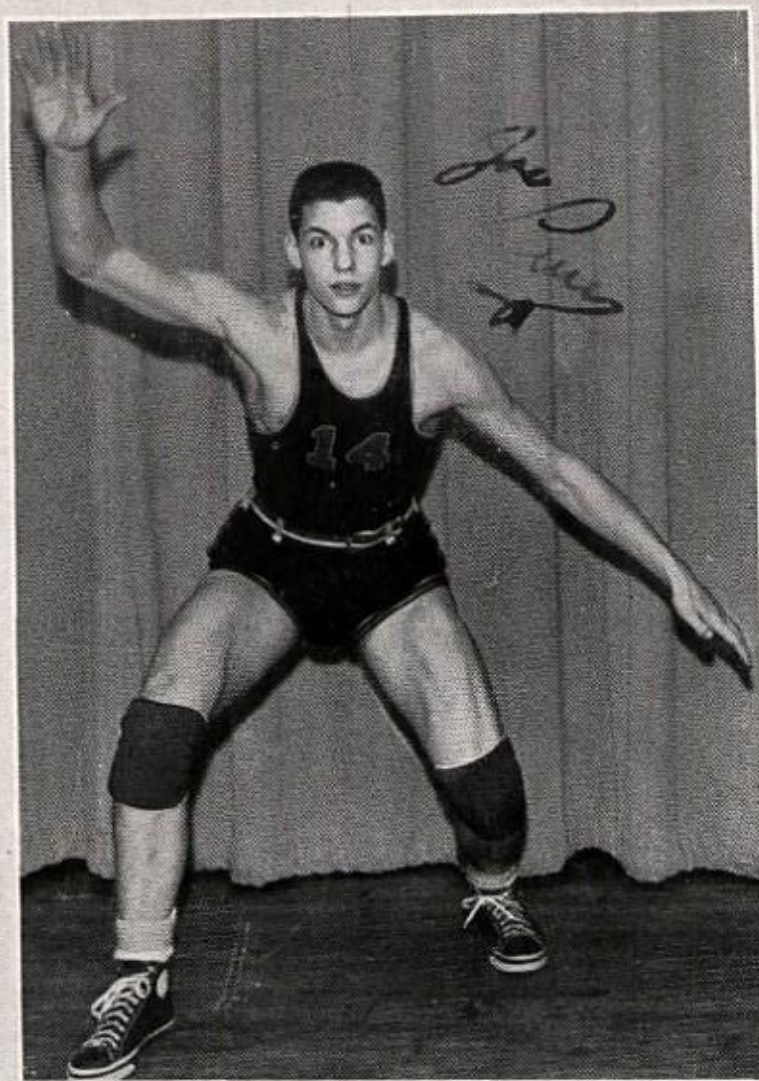

Scoring in the first and fourth quarters a midget band of Pirates eked out a 12 to 6 victory over the Southwest Papooses. This freshman squad has received invaluable experience and should capably fill the shoes of this years second team.

Under the able leadership of Coach Clifford Cornelius Paseo sported a season record of eleven wins and six losses. Carrying a 4-3 record in loop play to gain a third place tie with Southwest.

The teams were so evenly matched that it is doubtful whether or not Northeast would be able to retain its crown if the teams were to have played again.

Manual with a 1-6 record in league play was the only team to beat Northeast.

Paseo started off with a bang as they defeated their first six opponents. The teams and their score are as follows: Hogan 27-51, College High of Warrensburg 21-64, Glennon 48-50 (overtime), Benton 46-58, Center 31-67, Rockhurst 26-56.

Paseo's debut in the Inter-scholastic league proved to be fatal as a cold band of Pirates was upset by the Central Eagles 46 to 34. Bill Ross was the high point man for Paseo with 12 points.

Paseo got back into the swing of things as the Pirates scalped the Redskins of Southeast 50 to 39. After trailing 4 to 9 in the first quarter the Pirates bounced back to take a 27 to 18 half time lead. Bill Ross hit the basket for a total of 19 points.

Perhaps one of the most thrilling games of the season occurred when the Tigers of Westport lost to Paseo by a 47 to 46 overtime score. Jake Golding broke up the Tiger freeze and went under for a lay-up and Ed Stonner sank the free throw which sent the game into overtime knotted at 46 all. Rinker hit the deciding free throw and the Buc's stalled the remaining minutes.

Southeast became the next victim as the Pirates solved the riddle of the fast-breaking Knight to win 46 to 37. Ross and Golding were high point men with 12 and 10 points.

Paseo lost a heart-breaker to Northeast as the Vikes overcame a 36 all deadlock to lead 40 to 38 with 15 seconds remaining. Jake Golding was fouled in the act of shooting with two seconds to go. Admist a crowd of wild jeering Vikes, Jake missed his free

throw. Time ran out as the second one was taken out of bounds.

The Pirates were very ragged against Manual in the first half but were able to come back with an astounding 56% of their shots to clip the Red Birds 60 to 45. Bill Ross's 16 points were high for the team.

Paseo was unable to obtain second place in the league standings as the East Bears downed the Bucs by a 54 to 50 score. East came from behind several times during the game but was unable to take a firm command. East chalked up 14 to 9 points for the Corsairs in the final quarter. Bill Ross amassed 22 points to take top honors of the game.

In other non-loop tilts the Pirates defeated Southwest for the second time 61 to 52 and met disaster at the hands of Pem Day 43 to 53, Raytown 55 to 56, and North Kansas City 45 to 59.

In the regional tournament the unexpected happened when Southwest upset Paseo for the first time in three games. The final score was 50 to 46.

With 110 points Bill Ross was able to take second place in the league scoring. Bill also obtained a second team all-star berth. Jake Golding and Ed Stonner received honorable mention for their outstanding work.

Don Boresow and Ed Chimenti also helped the Pirates cause considerably with season totals of 112 and 98 points respectively.

R. O. T. C.

This year the enlarged Paseo battalion received two more instructors to fill the needs of the unit. In addition to Sgts. A. W. Strayhall and J. W. Schilpp, who as in the past served the battalion well, we were fortunate in receiving Capt. F. W. Sellmyer, who served as supervisor both at Paseo

and Central. Sgt. A. Story was stationed here for the first semester but was transferred because of illness. His place was ably filled by Sgt. M. H. Gagelman who has just returned from five years service in Trieste, Italy. The unit owes much to the efforts of these five men in making this year such a successful one.

Assistant Instructors

To aid the regular instructors this year, fourth year cadets were again utilized as assistant instructors. This arrangement proved to be very satisfactory.

Those who served as assistant instructors were as follows: Maj. Arthur Katz, A Company; Capt. Richard Carr, B Company; Capt. Charles Brouse, C Company; and Lt. Col. Morrie Gordon, D Company.

Battalion Organization

The battalion commander was Lt. Col. John Sankey. His executive officer was Maj. Earnest Kary, and his staff consisted of Capt. John Phillips, Adjutant; Capt. Mitchell Kur, s2; Capt. Charles Wade, s3. Capt. Charles Harvey.

The placing of Col. Sankey as Regimental Executive Officer, enabled Lt. Col. Richard Coleman to take this post.

A company officers consisted of Capt. Joe Scholzman, Company Commander; Lt. Richard White his executive Officer; Lt. Bob Diamond, and Lt. Howard Freeman, platoon leaders.

The officers of B company were Capt. Howard Bodker, Company Commander; Lt. Bernie Papin, his executive Officer, and Lt. Fred Amos and Jack McKenney, platoon leaders.

C Company Officers were as follows: Capt. Floyd Dorris, Company Commander; Lt. Joe Filbeck, his executive Officer; and Lt. Clarence Keim and Donald Hobbs as platoon leaders.

Federal Inspection

The cadets this year once again wore honor stars on their sleeves because of the placement of the Paseo Battalion in second place in last year's Federal Inspection.

Field Day

Paseo, in the annual field day last year, took third place in competition with the seven other schools. Cups were won in physical training and crack individual.

Size

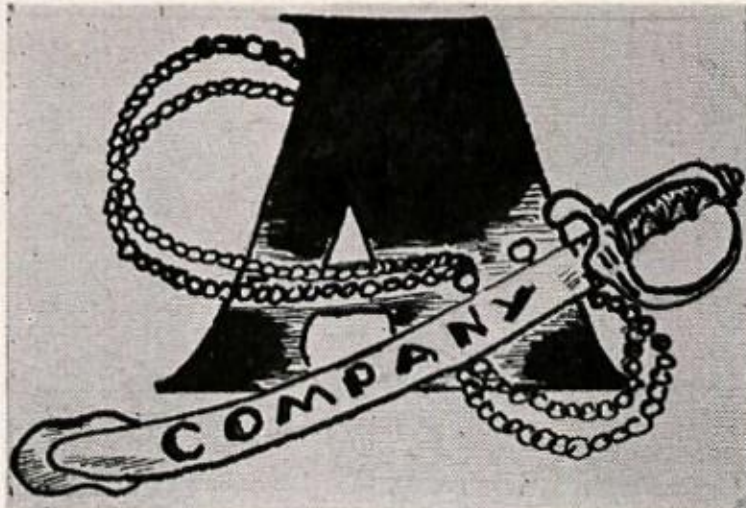

The enrollment this year jumped to 178, and necessitated an increase from two to four companies within the battalion. With this large number of cadets, great things are expected of the unit this year.

Rifle Team

Paseo's rifle team came through this year in fine form taking third place in the Interscholastic league, and first place in the city match. With this fine shooting these cadets won many honors for themselves and for their school.

R. O. T. C. Ball

The annual R. O. T. C. ball was held February 21, at the Municipal Auditorium. Ann Crawford was chosen queen of the battalion, and represented Paseo at this affair.
